Special Conditions

1. The parties acknowledge that:
 - 1.1 The whole loan LTV Limit is 70%;
 - 1.2 The whole loan Interest Cover Limit is 1

The Loan Conditions

1. Introduction

1.1 When an Offer made in respect of a Loan Request is accepted via the Service under Clause 3.12(c) of the Proplend Members' Agreement of which these Loan Conditions form part (the "**Members' Agreement**"), a loan contract is created exclusively between the Lender and Borrower ("**Loan Contract**"), which is made up of:

- (a) these Loan Conditions;
- (b) the terms of the Loan Request;
- (c) the terms of the Offer,

and a summary is also produced of certain details from all such Loan Contracts entered into by the Borrower in relation to that Loan Request ("**Loan Summary**"), including the total amount borrowed by the Borrower under all such Loan Contracts ("**Total Loan Amount**"), the duration of the Loan Contracts ("**Term**"), the total amount repayable under the Loan Contracts including interest and fees ("**Total Amount Repayable**") and the total amount of each of the repayments due under each Loan Contract ("**Repayment**").

1.2 Capitalised terms used in these Loan Conditions that are not otherwise defined where they appear shall have the meaning given to them in Clause 13 of these Loan Conditions.

2. Loan Disbursement, Repayments and Interest Reserve

2.1 The parties acknowledge that in respect of each Loan Contract, Proplend will pay the corresponding Loan Amount into the Borrower's Nominated Bank Account (or as otherwise stipulated in the Loan Contract), less:

- (a) the amount of any fees owed by the Borrower under Clause 5 of these Loan Conditions;
- (b) the relevant Interest Reserve being held in the Proplend Customer Funds Account pending any claim by the Lender in relation to any missed Repayment; and

LOAN NAME: Avondale Estates Limited

LOAN REF:

(c) the amount required to discharge any existing indebtedness of the Borrower that the Loan Amount was intended to discharge (which amount shall be paid by Proplend to the relevant creditor or its legal representative).

2.2 The Borrower agrees to repay the Lender the Total Amount Repayable at the times and in the Repayments shown in the Loan Summary. Prompt payment is essential and time shall be of the essence. If the Borrower is late in paying a Repayment, the Lender will have the right to make demand upon and enforce the Loan Contract and interest will continue to accrue on any unpaid amount then due and payable at the agreed Rate of Interest in accordance with Clause 3 of these Loan Conditions until it is paid.

2.3 The Borrower's obligation to make Repayments to the Lender will be satisfied by making the Repayments to the Proplend Customer Funds Account.

2.4 All Repayments shall be made in full, without set-off, counterclaim or condition, and free and clear of, and without any deduction or withholding, provided that, if the Borrower is required by law or regulation to make such deduction or withholding, it shall:

(a) ensure that the deduction or withholding does not exceed the minimum amount legally required;

(b) pay to the relevant taxation or other authorities, as appropriate, the full amount of the deduction or withholding;

(c) furnish to the relevant Lender, within the period for payment permitted by the relevant law, either:

(i) an official receipt of the relevant taxation authorities concerned on payments to them of amounts so deducted or withheld; or

(ii) if such receipts are not issued by the taxation authorities concerned on payment to them of amounts so deducted or withheld, a certificate of deduction or equivalent evidence of the relevant deduction or withholding; and

(d) pay to the Lender such additional amount as is necessary to ensure that the net full amount received by the Lender after the required deduction or withholding is equal to the amount that the Lender would have received had no such deduction or withholding been made.

2.5 Each Repayment paid by the Borrower will be pro-rated among all the Loan Contracts to which the Repayment relates and be used:

(a) first to pay any arrears on the Loan and any administration charges or other fees due under the Loan Contract; and

(b) then to pay the current interest and principal due in respect of the Loan Amount.

2.6 If the Borrower misses a payment or only partially pays any amount due under the Loan Contract, the Lender authorises Proplend or the Collections Agency, acting on the Lender's behalf, to contact the Borrower to attempt to collect an amount equivalent to the outstanding amount and any additional fees and charges due under the relevant Loan Contract and:

LOAN NAME: Avondale Estates Limited

LOAN REF:

- (a) the Lender concerned will automatically make a claim against the Interest Reserve for the amount of the interest component of any missed Repayment(s); and
 - (b) Proplend may make a payment from the Interest Reserve to the Lender in respect of the interest component of the missed Repayment(s),
- in accordance with the Priority.

2.7 In the event of the occurrence of any Event of Default under Clause 4.2 of these Loan Conditions:

- (a) the Lender hereby assigns to PSL all the Lender's right, benefit, title and interest in the Loan Contract on the 28th consecutive day after receiving notice of the Event of Default in the Lender's Proplend Account, provided that the Lender may decline to proceed with the assignment by giving notice in writing by email to PSL at notices@proplendsecurity.com prior to the expiry of the 28 day notice period;
- (b) upon assignment of the Loan Contract to PSL, PSL may commence actions to recover the outstanding debt under that Loan Contract and any sums recovered by PSL will be paid to the Lender, subject to deduction of the costs of recovery (which shall be apportioned according to the proportion that each Loan Contract represented to the Total Loan Amount borrowed by the relevant Borrower in accordance with the Priority); and
- (c) in the event of enforcement under Clause 2.7(b), PSL will keep you informed of its progress in enforcing the Loan Contract.

2.8 The Lenders acknowledges that it is possible that the proceeds (if any) recovered as a result of any recovery and enforcement activity specified in Clause 2.7 may not be sufficient to discharge all the relevant Borrower's obligations under the Loan Contract. In that case, the Lender will only be entitled to recover a share of any recovery proceeds, subject to deduction of the costs of recovery, according to the proportion that the Loan Amount (as defined in each Loan Contract) represented to the Total Loan Amount borrowed by that Borrower in the Tranche to which the Loan Contract relates.

2.9 In the event that the Lender successfully makes a claim for payment out of the Interest Reserve (other than under Clause 2.10 of these Loan Conditions), the Borrower shall immediately on demand pay into the Interest Reserve an amount equal to the amount paid to each Lender in respect of that claim, so that the amount of the Interest Reserve remains equal to six Repayments or two quarterly Repayments (as the case may be) due under each Loan Contract.

2.10 In the event that only three monthly Repayments or one quarterly Repayment remain to be made under each Loan Contract (as the case may be), and there are no arrears owing or other costs and fees owing thereunder, Proplend will distribute to the Lender the Lender's pro rata share of half the Interest Reserve as each remaining Repayment falls due and apply the balance of the Interest Reserve to repayment of the principal at the end of the Term. In the event that the principal is not repaid on the date of the expiry of the Term, the Interest Reserve will be distributed in payment of interest accrued on the Lender's unpaid principal (and any remaining amount of Interest Reserve at the date of repayment of the principal will be applied to repayment of the principal at that time).

3. Interest

LOAN NAME: Avondale Estates Limited

If an Event of Default occurs (as described in clause 4 of these Loan Conditions), the interest payable by the Borrower on the Loan shall automatically increase to 120% of the agreed Rate of Interest. Interest on the Loan shall be calculated from the date on which the Loan Contract is created under Clause 1 of these Loan Conditions at the outset for the whole period of the Loan and be stated in the Loan Summary. Interest shall be paid in accordance with the Repayments, as specified in the Loan Summary.
