<b>Registration</b>	UK Registered Limited Company
<b>Main Business Activity</b>	A commercial property investment company with other unencumbered assets, not charged.

## Applicant Details

<b>Name</b>	Zahid Ashraf
<b>Age</b>	34
<b>Experience</b>	<p>The Ashraf Brothers started business together in 2001 when they opened an equipment hire shop in East London called Sam's Hire. In 2008, they moved into van hire and set up KB Van Hire with 6 vans. By 2012, this business had expanded to 200 vehicles. An unforeseen increase in their insurance costs made the business no longer viable. They therefore decided to close the hire business and concentrated on their property portfolio in Birmingham.</p> <p>They began by sourcing properties for other local developers and investors, and once they were able to secure funding for themselves, undertook their own property investment. With the support of Bank of Cyprus over the past 5 years, they have expanded their Portfolio to 21 properties of which 18 have debt and are offered to Proplend as security.</p> <p>Whereas the majority of the Company's assets are commercial, two of their most valuable properties are HMO's which are let to Housing Associations. Such is the dearth of social accommodation in the Birmingham, the sector remains extremely strong for Landlords.</p> <p>They have also over time built a database of tenants suitable for occupying their properties in the event of any voids. They have a very proactive relationship with all of their tenants.</p> <p>The current OMV for the properties we are refinancing, are £10.565m. The original purchase prices for the same properties were £6.27m in all.</p> <p>In addition, the Borrower owns a further three unencumbered properties worth approximately £345k.</p>
<b>Credit History</b>	All three Directors' Credit Reports are clear and all three have passed Lexis Nexis checks.
<b>Net Worth</b>	£780k, comprised of equity of personally owned unencumbered investment property, in addition to the portfolio equity of over £5m.

## Report on Title

A Report on Title will be supplied by Paris Smith acting on behalf of Proplend Security Ltd, and it's comments thereon can be viewed under documents.

Lender Risks	Mitigant	Risk Level
<b>Risk that the management of the Borrower is not able to execute their business plan.</b>	The Borrower comprises three experienced property professionals, and at 50% LTV gross, even if the asking price needs to be decreased from the starting point, there is plenty of margin for any market correction.	<b>Medium</b>
<b>Risk that the Borrower stops making monthly interest payments to Lenders due to loss of lease income and or tenants whose leases had ended, had exercised a lease break or have gone into receivership.</b>	The loan is for an 18-month term, and monthly interest payments will be made from the 21-month interest reserve.	<b>Low</b>
<b>Risk that the Borrower is unable to repay the loan principal at the end of the loan term because they have not been able to sell or re-finance the property.</b>	<p>If the Borrower is unable to sell the Property at a desirable price towards maturity, they will lower the price accordingly to ensure we are repaid in a timely manner.</p> <p>There is insufficient rental income being generated to warrant a buy-to-let mortgage for this property in isolation.</p>	<b>Medium</b>
<b>Risk that the Property falls in value due to either macroeconomic or property specific reasons</b>	<p>The Property would have to fall in value by a greater margin than that which prices fell in the 2008/9 financial crisis, before lenders would be affected.</p> <p>The loan to Vacant Possession Value is also 50%.</p>	<b>High</b>
