This Loan Contract is subject to the terms of the Loan Conditions set out below. Following your entry into this Loan Contract, the Loan Amount (net of any applicable fees, Retained Interest and/or Interest Reserve) will be disbursed in accordance with the completion statement.

Repayments

The Arrangement Fee, Retained Interest and / or Interest Reserve will be deducted from the Loan Amount on the date of the Loan Contract. You will pay the Total Amount of Interest in 36 equal monthly interest payments each of £3,733.34 (each considered a separate Repayment) and the Loan Amount on the expiry of the Term, when the final Repayment (of principal) is due and payable. The Total Amount Payable is the sum of the Total Amount of Interest and the Loan Amount. The first Repayment is payable on (FIRST REPAYMENT DATE) (i.e. one month after the date of the Loan Contracts) and may vary slightly from this regular Repayment amount in order to take account of the number of days between advancement of the Loan Amount and the first Repayment. Subsequent Repayments will be made on the same date in each of the 35 consecutive months. All Repayments are to be made in accordance with Clause 2 of the Loan Conditions set out below.

Early Repayment

Each of the Loan Contracts has a minimum term of 36 months. In the event of any early repayment under Clause 4.1 of the Loan Conditions, the Borrower must pay to the Lender an early redemption fee according to the following terms:

2% year 1, 1% year 2, no fee thereafter.

Loan Conditions

1. Introduction

1.1 When an Offer made in respect of a Loan Request is accepted via the Platform under Clause 3.14(d) of the Proplend Members' Agreement of which these Loan Conditions form part (the "**Members' Agreement**"), a loan contract is created exclusively between the Lender and Borrower ("**Loan Contract**"), which is made up of:

- (a) these Loan Conditions;
- (b) the terms of the Loan Request;
- (c) the terms of the Offer (entered by the Lender via the Platform Website),

and a summary is also produced of certain details from all such Loan Contracts entered into by the Borrower in relation to that Loan Request ("**Loan Summary**"), including the total amount borrowed by the Borrower under all such Loan Contracts ("**Total Loan Amount**"), the duration of the Loan Contracts ("**Term**"), the total amount Payable under the Loan Contracts including interest and fees ("**Total Amount Payable**") and the total amount of each of the repayments of interest and principal due under each Loan Contract ("**Repayment**").

1.2 Capitalised terms used in these Loan Conditions that are not otherwise defined where they appear shall have the meaning given to them in Clause 13 of these Loan Conditions.

2. Loan Disbursement, Repayments, Retained Interest and Interest Reserve

2.1 The parties acknowledge that in respect of each Loan Contract, the Borrower shall make a Drawdown Request within 10 days after the date on which the Loan Contract is entered into on the Platform. After receiving the Drawdown Request, Proplend will promptly pay the corresponding Loan Amount into the Borrower's Nominated Bank Account (or as otherwise stipulated in the Loan Contract), less:

- (a) the amount of any fees owed by the Borrower under Clause 5 of these Loan Conditions;
- (b) the relevant Retained Interest and/or Interest Reserve being held in the Proplend Client Money Account pending any claim by the Lender in relation to any missed Repayment; and

(c) the amount required to discharge any existing indebtedness of the Borrower that the Loan Amount was intended to discharge (which amount shall be paid by Proplend to the relevant creditor or its legal representative).

2.2 The Borrower agrees to repay the Lender the Total Amount Payable at the times and in the Repayments shown in the Loan Summary. Prompt payment is essential and time shall be of the essence. If the Borrower is late in paying a Repayment (whether interest or principal), the Lender will have the right to make demand upon and enforce the Loan Contract and interest will continue to accrue on any unpaid amount then due and payable at the agreed Rate of Interest in accordance with Clause 3 of these Loan Conditions until it is paid.

2.3 The Borrower's obligation to make Repayments to the Lender will be satisfied by making the Repayments to the Proplend Client Money Account from the Borrower's Nominated Payment Account registered with Proplend under Clause 2.5 of the Members' Agreement.

2.4 All Repayments shall be made in full, without set-off, counterclaim or condition, and free and clear of, and without any deduction or withholding, provided that, if the Borrower is required by law or regulation to make such deduction or withholding, it shall:

- (a) ensure that the deduction or withholding does not exceed the minimum amount legally required;
- (b) pay to the relevant taxation or other authorities, as appropriate, the full amount of the deduction or withholding;
- (c) furnish to the relevant Lender, within the period for payment permitted by the relevant law, either:
 - (i) an official receipt of the relevant taxation authorities concerned on payments to them of amounts so deducted or withheld; or
 - (ii) if such receipts are not issued by the taxation authorities concerned on payment to them of amounts so deducted or withheld, a certificate of deduction or equivalent evidence of the relevant deduction or withholding; and
- (d) pay to the Lender such additional amount as is necessary to ensure that the net full amount received by the Lender after the required deduction or withholding is equal to the amount that the Lender would have received had no such deduction or withholding been made.

2.5 Each Repayment paid by the Borrower will be pro-rated among all the Loan Contracts to which the Repayment relates and be used:

- (a) first to pay any Arrears on the Loan and any administration charges or other fees due under or in relation to the Loan Contract; and
- (b) then to pay the current interest and principal due in respect of the Loan Amount.

If the Borrower makes an over-payment in respect of monthly interest due (rather than early repayment under Clause 4 of the Loan Conditions), for whatever reason, the amount overpaid will not be allocated against the outstanding loan principal but shall be credited to the Borrower's Proplend Account and the corresponding funds held in the Proplend Client Money Account in accordance with Clause 7 of the Members' Agreement until earlier of (a) the date on which it is withdrawn by the Borrower or (b) the final Repayment date, when any such remaining overpayment amount shall be credited against the balance then outstanding.

2.6 If the Borrower misses a payment or only partially pays any amount due under the Loan Contract, the Lender authorises Proplend or the Collections Agency, acting on the Lender's behalf, to contact the Borrower to take steps to procure the payment of an amount equivalent to the outstanding amount and any additional fees and charges due under or in relation to the relevant Loan Contract and:

(a) the Lender concerned will automatically make a claim against the Interest Reserve for the amount of the interest component of any missed Repayment(s); and

(b) Proplend may make a payment from the Interest Reserve to the Lender in respect of the interest component of the missed Repayment(s).

2.7 In the event of the occurrence of any Event of Default under Clause 4.2 of these Loan Conditions, PSL shall enforce all or any of the Security Documents for the benefit of the Lender in accordance with the provisions of Clause 6.6 of the Members' Agreement.

2.8 The Lender acknowledges that it is possible that the proceeds (if any) recovered as a result of any recovery and enforcement activity specified in Clause 2.7 of these Loan Conditions may not be sufficient to discharge all the relevant Borrower's obligations under the Loan Contract. In that case, the Lender will only be entitled to recover a share of any recovery proceeds, subject to deduction of the costs of recovery, according to the proportion that the Loan Amount (as defined in each Loan Contract) represented to the Total Loan Amount borrowed by that Borrower in the Tranche to which the Loan Contract relates.

2.9 In the event that the Lender successfully makes a claim for payment out of the Interest Reserve (other than under Clause 2.10 of these Loan Conditions), the Borrower shall immediately on demand pay into the Interest Reserve an amount equal to the amount paid to each Lender in respect of that claim, so that the amount of the Interest Reserve remains equal to the number of Repayments specified in the Special Conditions of the Loan Contract.

2.10 In the event that the principal is not repaid on the date of the expiry of the Term, the Interest Reserve will be distributed in payment of interest accrued on the Lender's unpaid principal (and any remaining amount of Interest Reserve at the date of

repayment of the principal will be applied to repayment of the principal at that time).

3. Interest

3.1 The Borrower agrees to pay the Lender interest on the Loan at the agreed Rate of Interest, calculated on a 30/360 day count basis, from the date of the Loan Contract. Any other interest accrual calculation, either for early or late payment will be calculated on an "Actual / 365" day-count basis. Interest will accrue from either the tenth day after the day on which the Loan Request was successfully funded or the day the funds lent are drawn down by the Borrower, whichever is earlier. Interest shall be paid in accordance with the Repayments, as specified in the Loan Summary.

3.2 The Default Interest Rate shall be applied immediately if:

- (a) any Repayment (whether of interest or principal) is in Arrears; or
- (b) if an Event of Default occurs.

The Default Rate of Interest shall continue to apply on either:

- (a) the relevant Repayment (s) in Arrears from the date on which the relevant Repayment was due until it is paid; or
- (b) (where there has been an Event of Default and / or the Interest Reserve has been fully applied) the total amount outstanding under the Loan Contract (i.e. unpaid Repayments (s) and principal), from the date on which the Event of Default occurs until the date on which all outstanding amounts under the Loan Contract are paid.

4. Early Repayment or Cancellation and Termination

4.1 Should the Borrower wish to repay a Loan early, the Borrower must give Proplend not less than five (5) Business Days' prior written notice of its intention to do so. The Borrower may then repay the Loan early in accordance with the notice in whole or in part by following the instructions in its Proplend Account, or such other instructions as Proplend may give. On an early repayment, interest on the amount repaid early will be charged to the date on which the early repayment is made, subject to any early repayment charge specified in the Loan Summary ("**Early Repayment Charge**"). If the Borrower wishes to cancel a Loan prior to drawdown, the Borrower must pay any interest accrued under Clause 3.1 as well as any Early Repayment Charge.

Any partial early repayment under this Clause 4.1, any amount paid on cancellation or any repayment required on the sale of Property under Clause 4.8 of the Members' Agreement shall be distributed on a pro-rata basis across all Tranches of the Loan Contracts (unless there has been a breach of Clause 2.2 of the Loan Conditions or an Event of Default under Clause 4.2), and when allocated to each relevant Tranche the relevant amount of the early repayment (and the Early Repayment Charge) shall be apportioned according to the proportion that the Loan Amount (as defined in each relevant Loan Contract) represents to the Total Loan Amount borrowed by that Borrower in the Tranche to which the Loan Contract(s) relate(s).

4.2 Without prejudice to the rights in Clause 2.2, the Lender may terminate the Loan Contract and demand repayment of the full Loan Amount together with all any other amounts due pursuant to the Loan Contract in relation thereto including, without limitation, interest, costs and expenses if any one or more of the following events occur (each, an "**Event of Default**"):

- (a) two or more consecutive Repayments (of interest) are in Arrears; or
- (b) any Repayment (of principal) is in Arrears for more than 90 days; or
- (c) the Borrower has provided false information which affected the decision to allow the Borrower to borrow via the Platform or to register for the Platform or has otherwise acted dishonestly, fraudulently or criminally in any way whatsoever; or
- (d) the Borrower has breached any provision of the Loan Contract or the Members' Agreement not otherwise specified in Clause 2.2 or this Clause 4.2 and failed to remedy that breach within 7 days of receiving a written notice to do so; or
- (e) the Borrower has failed to satisfy a Condition Subsequent within the agreed upon timescales; or
